FOREWORD

The Proceedings of the Winter School 'Geometry and Physics', published in 'Supplemento ai Rendiconti del Circolo Matematico di Palermo' contains written versions of talks, presented during the Winter School held in Srní in January 1987. Profs. Janeczko, Papadima, Stasheff and Torriani were not able to come to Srní, nevertheless their contributions were accepted as a part of the Proceedings.

There were altogether 62 participants at the School (29 from Czechoslovakia and 33 from abroad). The Proceedings contain 23 contributions.

It is our pleasure to thank here to all participants for creating nice a very pleasant atmosphere during the School as well as to all those contributing to the presented Proceedings for careful preparation of their papers.

Editors: J. Bureš , V. Souček
